May27, 2020

Dear Horsemen,

Due to the Covid 19 situation and the number of County Fairs canceling we are going to make an attempt to conduct these races on the mile track at the Illinois State Fairgrounds. As a result, I have extended the last day to supplement a horse to the County Fairs to June 1, 2020. It is \$800.00 per horse to supplement them. If you intend to supplement a horse or horses please call me at 217-685-0954 before June 1st and give me the following information: Name of the horse, sex, age and gait that you intend to supplement in. If in the event we are not able to race the County Fair races in Springfield you will be refunded your money.

Thank You
Tim Norman
Bureau Chief
County Fairs and Horseracing
Illinois Department of Agriculture
